Bridle and saddle racks are available in the tack room – one each per horse.

Well behaved dogs are permitted on the property, preferably on lead. Please keep dogs out of the ring and paddocks.

If your horse(s) will be arriving after hours (later than 5 pm), advance arrangements must be made for one of the staff to meet them.

The staff does night check. If you want to look in on your horse in the evening, please try to do so at a reasonable hour (no later than 8:30 pm) and please close the gate when leaving.

We are happy to assist with veterinarian and/or farrier appointments with advance notice.

Thank you.
